

3-layer panel PIZ BUIN steamed Larch | chopped | brushed

Item No. 06-003301

Description

With our new product range, the antique 3-layer panels, there are no limits to the design possibilities with wood. Whether for ceiling cladding, store fitting or furniture design, the glued solid wood panels with the designs of our selected antique formwork leave nothing to be desired.

Once seen, this high peak in the west of Austria fascinates. Even more pleasing is the vivacity of the eponymous facade made of Austrian larch. Our steamed wood panels, with a honey-colored appearance, provide a cozy feeling and create a familiar ambience. This 3-layer panel captivates with its rich detail and unique patterning, making each piece of furniture unique. Quality of life and deep connection with nature, that's what our product presents.

Specifications
