

3-layer panel PIZ NAIR Larch thermo 190° | brushed

Item No. 06-003303

Description

With our new product range, the antique 3-layer panels, there are no limits to the design possibilities with wood. Whether for ceiling cladding, store fitting or furniture design, the glued solid wood panels with the designs of our selected Antique Shuttering leave nothing to be desired.

The well-known local mountain of the Swiss noble resort St. Moritz delights many alpine lovers. Even more convincing is the rustic appearance of our eponymous 3-layer panel. The thermally treated larch boards offer a varied play of colors, radiate warmth and provide serenity. Warm, dark brown tones let you relax and feel that very special feeling of being close to the earth.

Specifications
